

2018-2019 DEPENDENT VERIFICATION INSTRUCTIONS AND PROCEDURES

Your FAFSA application has been selected for Verification. The Financial Aid Office will be comparing information from your FAFSA with the attached verification worksheets, IRS Data Retrieval or IRS Tax Transcripts, W2's and other documentation that may be required. Federal regulations require this information before awarding federal aid. If there are differences between your application information and your financial documents, the Financial Aid Office will make corrections electronically.

In some situations where there is conflicting data, the student or parent may be required to provide additional documentation. This could include 1098 forms, written explanations, proof of federal benefits, etc. If errors are found, the Financial Aid Office will make corrections to your record. Once Verification is complete, your financial aid will be finalized and you will be able to review your awards on the Vulcan Information Portal (VIP) at vip.calu.edu.

Students should be aware:

- No financial aid (*including work study and student loans*) will be awarded to the student until Verification is complete.
 - PLEASE NOTE: New freshman and transfer students will receive an award package prior to verification being complete. This package is **ESTIMATED** and subject to change based on corrections made during the Verification process. No aid will disburse to the student's account until verification is completed.
- During peak processing periods (between April and September), allow a minimum of four weeks for the Financial Aid Office to complete verification of your record.
- Students are expected to respond to any requests from the Financial Aid Office in a timely manner in order to avoid delays in the processing of their request for financial aid for the academic year.
- Failure to complete verification prior to withdrawal from the University or by the end of the academic year (whichever comes first) may result in total forfeiture of financial aid eligibility for the academic year.

Student Responsibilities:

- Provide requested verification documentation in a timely manner to the Financial Aid Office.
- All verification documents (i.e., verification worksheet, tax transcripts, W2's, letter of explanation) must be complete, legible and contain all appropriate signatures. If any documents are received incomplete, the Financial Aid Office will ask the student to resubmit the appropriate documents.
- All verification documents must be clearly labeled with the student's full name and Campus Wide ID (CWID).
- Provide additional documentation or a statement of explanation as requested to clarify conflicting information.

Referral of Fraud Cases:

If it is suspected that a student or other individual has misreported information or altered documentation to fraudulently obtain federal funds, California University is required to refer these cases to the Office of the Inspector General at the U.S. Department of Education. If it is determined that you have purposely given false or misleading information, you may be fined, sent to prison, or both.

Submit all documentation to:

California University of Pennsylvania
Financial Aid Office
250 University Avenue
California, PA 15419
Fax: 724-938-4551
Email: finaid@calu.edu
